

01-26-06 WIBCA Meeting Minutes
Olympia Resort & Conference Center

Officers present:

Rob Hovack
Gregg Andler
Ken Manlick
Tara Rauls

Tournament Discussion

Light Bulbs needed to be 75 watt; bulbs placed originally were 40 watt
Balls were found to be tacky and not well cleaned originally; a ball cleaner must provided and used by vendor
There was a need for a quality level during table placement

The above was corrected by Dean Roessler and is not found to be acceptable for the table vendor not to be prepared accordingly.
It is to be placed in the following contracts from this point on.

Payout break down was reviewed by the committee

9-ball; 1st Hovack, 2nd Andler
8-Ball; 1st Hovack, 2nd Andler

Baseball caps only were passed at the previous meeting. Brimmed hats were discussed. Baseball caps are acceptable with the bills facing forward while shooting a match. No further discussion on hats; we do not want to create an issue on one vs. another, therefore; baseball caps was stated.

Review on player divisions:

John Armon - stay AA
Jennifer Michalski (Crawl) - review matches at summer meeting
Andy Freeberg - moved from A to AA, not Master Motioned by Hovack, second by Andler

All divisions will be stated and posted by September of the following year in order to avoid placement issues at the State Tournament. Motioned by Andler, second by Hovack

Formal complaint forms will be created and available to all players at the WIBCA State Tournaments starting with the Scottish Dbls/ Team event in 2006. These forms will be available at the Directors desk. No verbal complaints will be accepted on any level by any board member, Director or affiliate.

Any other league or tournament organization is welcome to bring flyers into the WIBCA State Tournament(s) following the below stated conditions:

- The flyers are to be placed on a table outside of the shooting floor

- No hand to hand soliciting of such materials on the playing floor or outside

- No derogatory implications towards the WIBCA, its tournament or members

Summer Meeting: Review all feedback and information gained from the 2006 payout schedule. Different ideas for each division to keep it enticing for each division to continue to want to play.
